All State Pharmacy Councils/Union territories

All Institutions approved by the PCI -

- u/s 12 of the Pharmacy Act, 1948

- conduct of course

Sub.: Celebration of 6th National Pharmacovigilance Week 2026 -reg.

Sir/Madam,

This has a reference to the subject cited above.

In this connection, please find enclosed herewith the mail dt. 31.8.2026 received from the O/o Secretary-cum-Scientific-Director, Indian Pharmacopoeia Commission, Ghaziabad, alongwith flyer.

All Pharmacy Institutions are requested to celebrate the 5th National Pharmacovigilance week 2026 from 17th-23rd September 2026. The theme for this year's National Pharmacovigilance week is **"Promoting Rational Use of Medicines through Pharmacovigilance: A Step Towards Safer Healthcare"**.

In view of above, All Pharmacy Institutions are requested as under –

- to organise activities like Walkathon/Nukkad Natak/Street Plays/Sensitisation trainings/Community outreach programmes/CME/Conferences/Debates/Poster Presentations/ Oral presentations/ Quiz contests/Essay Competitions etc. in the area of Pharmacovigilance at your respective organizations.
- organise multiple community level outreach programmes aimed at reaching the grassroots segments of society to spread awareness on importance of ADR monitoring and reporting.
- undertake an intensive **social media campaign** through personal and institutional platforms, including Facebook/X/LinkedIn/Instagram/WhatsApp etc. to promote the 6th National Pharmacovigilance Week 2026 and create awareness about ADR reporting to patients and general public using the hashtag **#NPW 2026**.

Your kind support is solicited in the matter.

Yours faithfully

Subject: Request for Dissemination of Information on the National Pharmacovigilance Week Campaign 2026 to All Pharmacy Colleges/Pharm.D Institutions Across the Country -reg

===== Forwarded message =====

Respected Sir/Madam,

Greetings from National Coordination Centre for Pharmacovigilance Programme of India (NCC-PvPI), Indian Pharmacopoeia Commission (IPC)!

We are pleased to inform you about the campaign of National Pharmacovigilance Week commencing from 17th-23rd September 2026 which is an annual event Since 2021. The theme for this year's National Pharmacovigilance Week is **"Promoting Rational Use of Medicines through Pharmacovigilance: A Step Towards Safer Healthcare"** aimed to reach out common masses and healthcare professionals to create awareness about the importance of reporting Adverse Events/Adverse Drug Reactions (AEs/ADRs) due to Drugs/Medical devices.

You are hereby requested to circulate this information to **all Pharmacy colleges/Pharm.D institutions** under your jurisdiction and **issue an advisory from your office** to encourage all Pharmacy/Pharm. D institutions to celebrate the 6th National Pharmacovigilance Week. The Pharmacy colleges/Pharmacy Institutions should organise activities like Walkathon/Nukkad Natak/Street Plays/Sensitisation trainings/Community outreach programmes/CME/Conferences/Debates/Poster Presentations/ Oral presentations/ Quiz contests/Essay Competitions etc. in the area of Pharmacovigilance at your respective organizations.

This year in line with the theme, NCC-PvPI, IPC encourages all Pharmacy/Pharm. D institutions recognised by Pharmacy Council of India to organise multiple community level outreach programmes

aimed at reaching the grassroots segments of society to spread awareness on importance of ADR monitoring and reporting.

In addition, your good office may kindly advice all Pharmacy colleges/Pharm.D institutions to undertake an intensive **social media campaign** through their personal and institutional platforms, including Facebook/X/LinkedIn/Instagram/WhatsApp etc. to promote the 6th National Pharmacovigilance Week 2026 and create awareness about ADR reporting to patients and general public using the hashtag **#NPW 2026**.

We look forward to your continued support and cooperation in the celebration of 6th National Pharmacovigilance Week 2026 pan India in the interest of patient safety. Please find the enclosed flyer, save the date and brochure that can be shared with all the pharmacy colleges in India.

If you have any further query/ clarification in this regard kindly contact to: pvpi-ipc@gov.in & training.nccpvpi-ipc@gov.in.

Thanking you,

6th National Pharmacovigilance Week Celebration

The National Pharmacovigilance Week (NPW) celebration is aligned with the World Patient Safety day i.e. September 17 to promote a culture of medication safety. The NPW celebration has become a regular activity under Pharmacovigilance Programme of India since 2021 and is celebrated with different themes every year from 17th - 23rd September. The theme for this year celebration is “Promoting Rational Use of Medicines through Pharmacovigilance: A Step Towards Safer Healthcare”.

The 6th National Pharmacovigilance Week will be hosted by National Coordination Centre for Pharmacovigilance Programme of India, Indian Pharmacopoeia Commission, Ghaziabad. The 6th National Pharmacovigilance Week celebration is aimed to bring awareness about reporting of Adverse Events with the use of medical products among Pharmacovigilance Professionals, Scientists, Drug Regulators/ Policymakers, Research Scholars, Academicians and Students.

NCC-PvPI, IPC is excited to welcome you in upcoming celebration of the 6th National Pharmacovigilance Week at BHIM Hall, Dr. Ambedkar International Centre, New Delhi - 110001 on 21st September, 2026.

Safer Medicines Begin with You. Join hands with the Pharmacovigilance Programme of India (PvPI) in promoting Adverse Drug Reaction (ADR) reporting. Together, we can enhance patient safety and ensure the rational use of medicines for every citizen.
