Sub: Celebration of Pharmacists Day on 25th September, 2025 – on the theme “Think Health Think Pharmacists”

- **Counselling patients on correct medication use.**
- **Supporting chronic disease management.**
- **Promoting vaccination and preventive care.**
- **Ensuring access to life-saving treatments.**
- **Advocating for rational drug use.**

Sir / Madam

Pharmacists Day is globally commemorated on the 25th of September annually. Celebration of Pharmacist Day is an effective strategy to boost the recognition of the field and acknowledge the vital contribution made by Pharmacy professionals in enhancing Global Health results. This year the Pharmacists Day will be celebrated on the theme as above.

Theme: Think Health, Think Pharmacist

Every year on **September 25**, the global community comes together to celebrate **World Pharmacists Day**—a day dedicated to recognizing the vital role pharmacists play in healthcare systems worldwide. In 2025, the theme “**Think Health, Think Pharmacist**” highlights the indispensable contributions of pharmacists in safeguarding public health and improving patient outcomes.

Pharmacists: The Pillars of Public Health

Pharmacists are more than just dispensers of medication; they are trusted

healthcare professionals who provide expert advice, ensure medication safety, and guide patients on the best practices for managing their health. As accessible health advisors, pharmacists bridge the gap between patients and complex healthcare systems, making health knowledge available to everyone.

Pharmacists: Promoting Better Health through Expert Counselling

In today's fast-evolving medical landscape, pharmacists serve as frontline counsellors—educating the public on the proper use of medicines, potential side effects, and drug interactions. Their guidance helps patients avoid complications, adhere to treatments effectively, and ultimately, improve their quality of life.

Pharmacists: A Trusted Partner in Your Health Journey

The theme “**Think Health, Think Pharmacist**” reminds us to acknowledge pharmacists as essential partners in health management. Their knowledge, compassion, and accessibility make them an invaluable resource for individuals seeking trustworthy health advice. Pharmacists are widely contributing at every stage of your Health journey -

- Counselling patients on correct medication use
- Supporting chronic disease management
- Promoting vaccination and preventive care
- Ensuring access to life-saving treatments
- Advocating for rational drug use

Think Health, Think Pharmacist—because your health deserves expert care.

To mark the occasion, some of the activities that can be undertaken by the stakeholders are as under –

- To conduct rallies with banner on the above theme throughout India.
- To display boards and hoardings at prominent places.
- To organize health screening camps.
- To sensitize the public regarding role of Pharmacist in meeting through social media and other platforms.
- To conduct awareness programs on-
 - Generic Medicines
 - Patient Counselling
 - Reduction of Drug abuse
 - Role of Current Good Manufacturing Practices (CGMP).
 - To conduct logo and slogan competitions.
 - To organize tree plantation campaigns.
 - To organize Pharma Quiz.

All concerned are therefore requested to celebrate Pharmacists Day on 25th September, 2025 by organizing the above activities and any other event to boost

the morale of Registered/ budding Pharmacists in recognition of Pharmacy profession in the society.

Yours faithfully

(ANIL MITTAL)
Registrar-cum-Secretary
