Circular

Ref No. POLICY-13014/2/2025
10.09.2026

Date:

To All,

a. Pharmacists having registered via the BH-P number

Sub: Duplicate Registration on NHA Portal by Individuals Already Holding BH-P Numbers

Sir/ Madam,

This is with reference to PCI's earlier communication advising registered pharmacists/ individuals already holding a BH-P number **not to register afresh on the National Health Authority (NHA) portal**.

It has come to the notice of the Council that, despite these advisory, certain individuals who already possess a valid BH-P number have proceeded to register independently on the NHA portal and created a separate BH-P profile, resulting in duplicate records within the system.

In this regard, the Council wishes to reiterate and inform all concerned as follows:

1. Individuals who already hold an existing BH-P number are not required, and were previously advised not, to create a fresh registration/ profile on the NHA portal.
2. The Council will monitor such duplicate data arising from parallel registrations on the NHA portal against existing BH-P records.
3. Appropriate action will be taken by the Council in respect of such duplicate entries, in accordance with applicable guidelines.

All concerned are requested to strictly adhere to this advisory to avoid inconvenience arising from duplicate/conflicting records.

Also the detailed information about the registration process is explained in the YouTube video whose link is attached here :

This issues with the approval of the Competent Authority.

Yours Faithfully
