The **75th IPC** is a historic milestone for the Indian pharmaceutical profession and is expected to bring together more than **10,000 delegates** representing **academia, the pharmaceutical industry, R&D, regulatory bodies, healthcare institutions, hospitals, community and clinical pharmacy, professional organisations and allied sectors**. The Platinum Jubilee Edition is envisaged as a landmark national platform for deliberations on the future of pharmacy, pharmaceutical education, healthcare, innovation, research, regulation and industry.

The Pharmacy Council of India (PCI) will also actively participate in the **75th Indian Pharmaceutical Congress (IPC)** and undertake various academic activities during the Congress. Further, PCI will present and deliberate upon its future roadmap and planned initiatives during the Plenary Session of the IPC.

In view of the significance of this landmark event, all are hereby requested to encourage and facilitate **maximum participation of their faculty members and students** in the 75th IPC and make full use of the academic, scientific and professional opportunities available during the event.
