Sub: NBEMS CPR Awareness Programme (Online) on 6th December 2023 at 9.30 am - reg.

Sir / Madam

Please find attached herewith letter No.NBEMS/EDO/2023/4021 dt.7.11.2023 received from National Board of Examinations in Medical Sciences (NBEMS) regarding CPR Awareness Programme on 6th December 2023 which is self explanatory.

As the Cardiopulmonary resuscitation (CPR) is a life saving technique that can be performed by anyone who has received proper training. CPR can restore blood flow and oxygen to the brain and other vital organs of a person who has suffered a cardiac arrest, immediate CPR can significantly improve the chances of survival after suffering from cardiac arrest. Trained personnel can act quickly and confidently in an emergency situation and potentially save a life.

In view of above, your support is solicited in participating the awareness programme of CPR conducted by NBEMS which is in the public interest.

Please find below the link to be used for the CPR Programme.

Ref. No. NBEMS/EDO/2023/4021

Dated: 07.11.2023

Subject: NBEMS CPR Awareness Programme on 6th December, 2023-reg.

Dear Dr. Patel,

National Board of Examinations in Medical Sciences (NBEMS) is an Autonomous Body of Ministry of Health & Family Welfare, Government of India and is entrusted with the task of conducting examinations in the field of modern medicine on Pan India basis including NEET-PG, NEET-SS and NEET-MDS. NBEMS has also accredited more than 1300 hospitals with more than 14000 PG seats in various Broad and Super Specialty Courses.

As you are aware, cardiopulmonary resuscitation (CPR) is a life-saving technique that can be performed by anyone who has received proper training. CPR can restore blood flow and oxygen to the brain and other vital organs of a person who has suffered a cardiac arrest. Immediate CPR can significantly improve the chances of survival after suffering from cardiac arrest. Trained personnel can act quickly and confidently in an emergency situation, and potentially save a life.

As a commitment towards the society, NBEMS shall be organizing CPR Awareness Program on 6th December, 2023 at 09:30 A.M across the country to spread awareness and impart training to thousands of youths and non-medical personnel to administer CPR in a proper manner. The programme will comprise of a short video explaining the participants about the benefits of CPR and methodology to administer it. A doctor will be deputed at each venue to answer the queries of the participants. *Digital Certificate of participation shall be issued to all participants by NBEMS.*

I request active involvement of PCI in NBEMS CPR Awareness Programme so that maximum public is benefited. I request your good office to:

- Inform all pharmacy colleges to participate in the NBEMS CPR Awareness Programme and to provide us the list of participating colleges. All staff and students may be asked to participate in the programme. The colleges may use their auditorium/lecture hall for display of the CPR video with good audio support. The web-page to access the video and further details shall be shared by NBEMS in due course.
- The list of participating pharmacy colleges may be informed to NBEMS at email id: nbefaculty@natboard.edu.in along with the contact details of nodal person who will

coordinate with NBEMS. Please use the google form link (_____) to be filled by the pharmacy colleges to provide the contact details of the nodal person.

- At least 3-4 photographs of organising the CPR Awareness programme by the pharmacy college has to be uploaded on a link which will be provided in due course by NBEMS.

I am hopeful that the vast network of PCI colleges will give an opportunity to thousands of youths to be trained in CPR.

With warm regards,

Yours sincerely,

(Prof M. Bajpai)
Honorary Executive Director

Dr. Montu Kumar Patel
President,
Pharmacy Council of India
Delhi

Note: Your support in this public welfare programme is solicited. No expense in this regard shall be borne by NBEMS
