Sir/Madam

This is in continuation in Council's above cited circulars dt. 14.12.2023.

In this connection, it is informed that the PCI has decided to extend the last date for submission of application upto 8.1.2024 because of technical issues.

All the institutions are requested not to wait for the last date as crowding may slow down the server, hence application be submitted at the earliest within the stipulated date.

The consequences of failure to apply will rest on the institutions as not further extension will be given by the Council.

In case of any technical query please take a screenshot and forward on the PCI grievances portal. The link and screenshot are attached as **Appendix -1**.

Yours faithfully
