3 MAY 2024

Sub.: 1. Commencement of M. Pharm admissions after declaration of result for GPAT 2024 examination.

2. Addition of Names of Institutions in dropdown menu while filling GPAT Application form on NBEMS portal – reg.

Sir/Madam,

This has a reference to the subject cited above.

It has come to the notice of the PCI that some of the PCI approved institutions have initiated the process of admission to M. Pharm courses prior the result declaration of GPAT examination. This premature commencement of admissions undermines the integrity of the GPAT examination.

In view of above, all the Pharmacy Institutions are requested to kindly initiate the process of admission to M. Pharm courses after the declaration of GPAT (2024) results.

Further, the Council is in receipt of the grievances from some Pharmacy Institutions intimating that their names are not visible on the NBEMS portal while filling GPAT examination application form.

In view of above, it is requested to kindly fill the details in the below google link for further process by 5.4.2024 positively.
