30.1 *The latest information on record was placed.*

30.2 *The matter was threadbarely discussed. It was noted that PCI vide circular dt.17.7.2019 has imposed moratorium on opening of new D.Pharm and B.Pharm institutions for a period of 5 years from 2020-2021 academic session. In view of it, the institutions which have failed to maintain the approval of PCI i.e. there is a break in the approval in terms of no admissions, such institutions be considered as new institutions covered under Council’s moratorium and not to consider for approval.*

30.3 *In view of above, the following Resolution was unanimously taken –*
